BOATER'S SAFETY CLASSES

The LJA/DNR boating education course is scheduled for Saturday, June 16, 2001, at the Presbyterian Chapel of the Lakes. Registration will be at 7:30 a.m. with the class beginning at 8 a.m. There will be a break for lunch from 11 'till 12 noon and the class will end at 3:00p.m. Anyone age 15 through 20 years old who does not have a valid driver's license must have a boating course certificate in order to operate a motorboat greater than 10hp., however this class is open to boaters of all ages. Many insurance companies are now offering discount to those who have taken the course. Pre-registration is recommended. Call Dick Spake at 833-6875.

SAIL INTO A GOOD TIME!

The Lake James Yacht Club is looking for individuals interested in sailing not only M-20's but other types of sailboats to join us on weekends of racing and social events. Regular season races are held on Sunday mornings at 10:00 A.M. June through August. Fun races and moonlight sailing are some of the other sailing activities. The season begins on Lake James with the No-Tie regatta drawing M-20's from Minnesota, Wisconsin, Michigan, and Canada. This event is now the biggest and most popular M-20 sanctioned race, aside from the M-20 Nationals. The finale for the Lake James sailors is the Fall Classic three-basin race held the weekend after Labor Day.

In addition to the exciting sailing action, LJYC is an active social organization involving sailors and their families with several banquets and picnics at member's homes after each race. We are an all season club, with iceboating in the winter on Ice Skimmers and DN's.

Our club would like to open an invitation to anyone interested in sailing. If you've ever wanted to learn to sail, if you own a sailboat and want to sail more, or if you'd just like to understand sailboat racing, we'd like to meet you. You also can participate with us in non-sailing areas, such as organizing races, helping on chase boats, and staffing the committee boat. We have started an outreach program to other lakes in the area to share in the fun of sailing and to participate together in racing. So call us, we can be reached at 833-6109 or ggriffis@hotmail.com

Membership

Lake James Association membership is at 598 paid members for the year of 1999. Our membership is sought from over 800 mailings. The all time high was back several years ago with over 600 paid members. Your comments and suggestions as to how we can increase membership will be heard and certainly considered.

You may notice on our membership mailing that above your name is your very old cottage number. These numbers were assigned years ago, the lowest number beginning on Lone Tree Point and continues around the lake to Eagle Island. When the new Lane numbers were assigned several years back, we kept the cottage numbers in order to locate you around the lake. The have now become your account number. Some of you cross them out when returning your membership, possibly thinking that we use this instead of your lake address. The number is needed to enter any information you send us. It is our way of finding you around the lake and nothing more.

A Message from the President

From time to time, we publish articles outlining what we consider to be the aims of our association; and, from time to time, people ask what are the aims of out association. We accept this as a continuing and necessary dialogue. If what follows sounds familiar, please bear with me.

In the most basic and direct terms I can devise, our purpose is to protect the lake's environment so as to provide continuing enjoyment by the lake property owners and the public at large. A simple statement that covers a lot of territory. Our activities are pursued by a board of about twenty people, all of whom are volunteers.

Polls have shown the preservation and improvement of water quality to be the top concern of people who enjoy lake activities, and it is our top concern. We oppose developments that would destroy wetlands that protect the water quality. We watch for and oppose developments that would drain contaminants into the lake. We support programs such as Ducks Unlimited that teach our young people the importance of protecting our waters.

Traffic and safety control on the lake has been our concern for many years. We own and maintain one patrol boat and pay the deputies who man this boat. The Sheriff's Marine Patrols are primarily interested in traffic and safety control, not boat registrations or fishing violations. The latter items are the concern of the DNR's Conservation officers. We have supported State Legislation to improve boating regulations.

We are interested in the County's zoning ordinances and how they are enforced. We have actively supported amendments to those ordinances that protect the lake environment.

When legislation impinging on our lake interest is being considered at State or County level, we alert our membership and urge participation in any related public meetings or mail-in campaigns. We are putting more emphasis on this activity.

These are our basic concerns, but anything that affects the lake's environment becomes our concern. To succeed we need your support!

2001 Membership

Last years membership came to 597 paid members, which simply means 70% of those of you who receive our mailings support LJA. Included with this newsletter is notification for 2001 membership dues. Dues remain at $20.00 - please send your membership in today-and we thank those who support us! We would welcome the other 30% to come join us in the year 2001.

As usual we have included space for donations to the 4th of July fireworks in the return form for dues. If you enjoy these displays, please include a donation along with your dues.

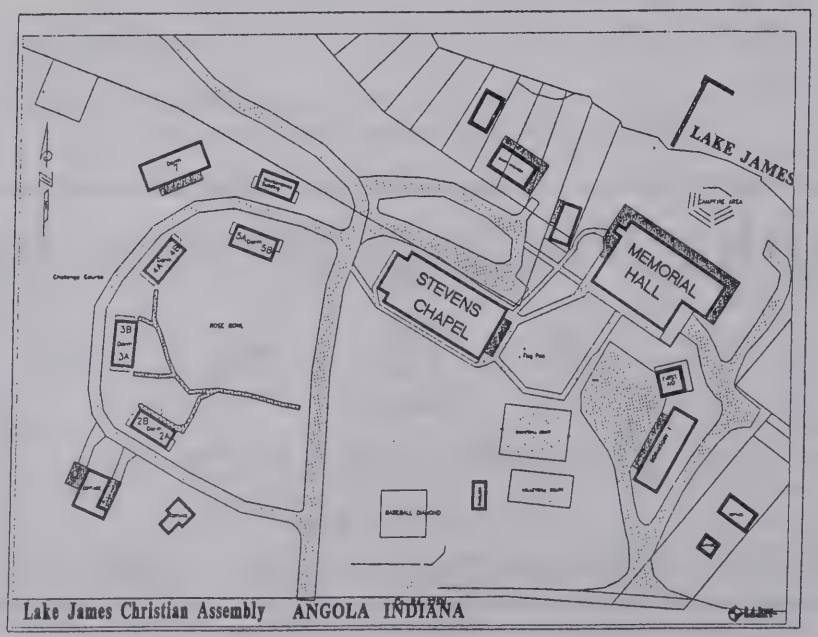
What is Lake James Christian Assembly? A Christian Camp & Retreat Center. Our Summer Youth Program is designed for 1st grades through college age. For the past seventy-two years young people from the Tri-State Area have participated in this annual Christian camping event. During the rest of the year the camp is enjoyed by all ages in weekend retreats and family programs. The assembly is owned and operated by the Christian Churches/ Churches of Christ in Northern Indiana, Northwest Ohio and South Central Michigan.

"Rules for acceptance and participation in the program are the same for everyone without regard to race, color, sex, age, handicap, religion or national origin. Any person who believes he or she has been discriminated against in any USDA-related activity should write to: Secretary of Agriculture, Washington, D.C. 20250."

During the Summer Youth Program, Bible classes are taught each day, with New Testament Christianity being the basis for our doctrinal belief. All faculty volunteers are members of our supporting churches and colleges. Our mission statement: "Help young people and adults develop their spiritual, social and physical lives according to God's Word, the Bible."

~Special Attention all Cottage Owners & Lake Visitors~

Lake James Christian Assembly is located at 1880 W 275 N Lake James and has been at the present location since 1929. The map below outlines the Assembly's property lines. **Please remember that this is not a public park, but a private camp and retreat center.** Area cottage owners and lake visitors are requested to keep this in mind at all times. **Trespassing in any form will NOT be tolerated and all violators will be prosecuted.** (This includes: use of sports equipment and fields, hunting, bike riding, motorcycling, snowmobiling, camping, swimming, skateboarding, rollerblading, etc.) **The Assembly will not be responsible for any accidents due to anyone trespassing!**



Lake James Christian Assembly

Authorized Professional Applicator
SCOTCHGARD Protector
For Carpet & Upholstery

"I've tried several cleaning companies some with well known names, and never had my carpet look or feel this good. Thanks for doing such a quality jobs."
Terrie Hanna,
Hudson, IN

"We have had other companies clean our carpet. No one ever cleaned our house like Brock's!"
Harold Ross,
Pleasant Lake, IN

"I've had other companies clean my carpet, but when John cleaned them they stayed clean long after he left."
Fred DeGrasse,
Realtor

Let us create your
window on the world
Celebrating over
TEN YEARS
of fine
waterfront
architecture
For over a decade,
HELMAN Architecture
+ Design has specialized
in the creation of custom
waterfront architecture. Whether
your project is large or small, trust us
to capture your vision. To us, the challenge
remains the same — to delight the senses of our clients.

3907 County Rd. 47
Auburn, IN 46706

1-800-232-8801

Commercial Containers 1-10 yards
Temporary Containers 2-4 yards

1. All garbage and rubbish should be within five (5) feet of the road side by 6:00 a.m. on Monday.
2. Garbage and rubbish must be bagged or contained inside a can — NO LEAVES OR YARD WASTE can be collected due to State yard waste ban. Please use Steuben County compost location on 200W by fairground. NO TIRES.
3. Any large items, or any other removal needs, please contact Serv-All, Inc. and let them know in advance, they may need to be hauled separately, and there may be an extra charge (telephone 800-232-8801).
